ERRATUM

In the paper “Quasar X-Ray Spectra Revisited” by P. Shastri, B. J. Wilkes, M. Elvis, and J. McDowell (ApJ, 410, 29 [1993]), there is an error in the flux density levels in Figures 4*a* and 4*b*. As a result of an error during rebinning of the optical spectrophotometry data, the flux density levels in those two figures are a factor of 5 lower than their actual value.
