A corrigendum on

Training global oncologists: addressing the global cancer control problem

Dr. Yehoda Martei was mistakenly left off the list of authors at the time of submission.

The author list should read as follows:

The authors apologize for this omission in the original publication.
The original article has been updated.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
