Unfortunately, in the PDF of the original version of this article [1] there was an error. The names of two of the co-first authors were included incorrectly in the footnote and read “Xiu-yang Huang” and “Juhong Yang” instead of “Xiu-yan Huang” and “Ju-hong Yang”. The sentence should have read “Xiu-yan Huang, Zi-li Huang, and Ju-hong Yang are co-first authors”.

The names have been also updated in the original article.
