# Correction to: Airplane pilot mental health and suicidal thoughts: a cross-sectional descriptive study via anonymous web-based survey

Alexander C. Wu<sup>1</sup>, Deborah Donnelly-McLay<sup>1</sup>, Marc G. Weisskopf<sup>1</sup>, Eileen McNeely<sup>1</sup>, Theresa S. Betancourt<sup>2</sup> and Joseph G. Allen<sup>1,3\*</sup>

## Correction

After publication of the article [1], it has been brought to our attention that the specificity of the tool was reported as 88%. This specificity is for Major Depressive Disorder. The specificity of the tool for all depressive disorders, the outcome of interest in the study, is 93%.
