## Acknowledgments

I am deeply indebted to Betty C. Moore, Robert V. Hine, and Ingrith Deyrup-Olsen for reading the manuscript. Eugene Anderson, Edwin M. Eigner, Wilfred A. Elders, Morris J. Garber, Ernst Mayr, Rodolfo Ruibal, Marshall van Deusen, Giles Waines, and Clifford Wurfel helped in various ways.

The volumes for the exhibition were assembled by Eva Jonas and Reta Masters who helped also to prepare this guide.

I am indebted to Kenneth E. Carpenter, Kathryn Parsons, and Daniel J. Griffin for their assistance in preparing the manuscript and for seeing it through production. I am grateful as well to Rick Stafford, photographer in the University Art Museums, and to Victor Santamaria and Daniel Sullivan, camera operators at the Office of the University Publisher. The colored plates are made possible by the generosity of an anonymous donor.
