CHRONOLOGICAL INDEX--BY IMPORTING LANGUAGE-- OF TRANSLATIONS INTO DANISH DUTCH ENGLISH PORTUGUESE AND SWEDISH

This list is arranged by the importing language under each year. There is also a general chronological list arranged by source language. Since each separate bibliography also has a chronological list arrantged by source language, i.e., the same arrangement as for the entries themselves, this index provides a different view of the dissemination of economic literature.

The indexes will be expanded as other bibliographies are completed. Not all entries in brackets are included, only those needed to make clear that there is not an omission.
